

HE IS RISEN INDEED!

NASHVILLE ROAD  
COMMUNITY CHURCH

For a moment I want you to consider yourself an angel (*okay for some of us - that will take longer than a moment to consider ... but work with me!*) and you've been given the assignment in heaven to decide what the first miracle of the Messiah on earth will be. So you meet with the other angels on the committee to work out the details of this event. "It's got to be HUGE" you say ... "Attention grabbing! Undeniably monumental." agrees another. Lots of great ideas are being floated around the boardroom cloud - "I say we go HUGE - raise the dead - a whole cemetery even," says one. Another suggests wiping out all disease on the planet and the unanimous reply from around the room is "Awesome!" and it's settled - an undeniably huge inaugural statement that the Son of God - Saviour of the world has arrived is now planned! It's recorded in the minutes for reference and the meeting is adjourned in celebration! Only Jesus doesn't get the memo because the lead off hitter miracle happens when he turns six jugs of water into six jugs of wine because he's at a wedding and they've run out. Huh!? What is up with that?! Check it out in [John 2:1-11](#). This Sunday we continue looking at this living hope that Christians are raised with Jesus into because of His resurrection! We're looking at the reality that God is with us daily in very practical ways and yet also for us and His provision of needs points to a larger grace that limbers up our souls to live out His love with abundance to others!

## Magnify!

We're now looking forward to have an opportunity to hear from the Nashville Road body about what God has been doing in our lives! We love the chance to glorify Him and share! We've moved the date as a result of the ice storm and so on Sunday May 6th there will be a chance to share briefly if you'd like about what God has been showing you about Himself over the last few weeks and months! We'll also be hearing specifically from several people who've travelled geographically, who'll share about what God has shown them but we know that we're all on a great journey and we want to magnify God together! So this gives us a couple of weeks to think and meditate on how God has been speaking to you and then have the opportunity to talk about Him at the morning gathering on the 6th!

## Community Service Hours

If you are a high school student looking to build on your 40 hours of Community Service needed for graduation - we're looking for 2 students who would be willing to help with Childcare at Alpha. We meet each Tuesday from 6:45-8:45 beginning March 20th and if you are able to help on a semi regular basis for any of the 12 weeks of the Winter Session - then it's a great way to build your hours or add more.

Hint: *Community Involvement Hours look great on scholarship applications!* Please speak to Dean, Giovanna or sign up on the Alpha Helper sheet at the Welcome Desk

## Alpha Food Help

As part of the Alpha program we are partnering with our friends at Connect Church to cook alternate weeks. We are seeking individuals who would be comfortable in either making salads, baking desserts or cookies or helping with the assembly of a main course for approximately 20 guests. "Many hands make light work" is the saying and if enough people participated it would be a great blessing and help make the food prep manageable for all. A HUGE THANK YOU to all those who have stacked hands to make Alpha food possible so far! You have provided us a banquet of amazing food!

If you think you might be able to assist us at all by contributing to a Tuesday Alpha meal - please check out the list on the Welcome Center or speak with Di or Giovanna after this Sunday's gathering and we'll point you in the right direction! Thanks!

## Be on the look out!!

We are looking for a beautiful artwork banner of the manger and star that we display on the wall of the lobby at Christmas! Somehow it has been moved from where it was stored! If you recall seeing it recently (*other than when it was displayed at Christmas!!*) please speak with Dean or Martha! Thank you!

## Youth Event WonderJam!

# Praise & Prayer

> Harold Barker - continues to make great progress as he rehabs at Brampton Civic. Pray for increased strength! Thankful too that Harold continues to bless others as he is rehabbing!

> Charissa Redlich's father Stan Fowler is having gall bladder surgery this weekend. Pray for Stan and his recovery.

> Chris Hennig's father passed away this week - please be in prayer for Chris and Georg and their family as they both celebrate his life and grieve his passing.

> Marlea Burgess continues to recover from her concussion symptoms sustained in a car accident.

> Please remember to pray for our staff of teachers at Kleinburg Christian Academy as they impact the lives of students each day.

> Please remember other brothers and sisters in prayer who gather as part of God's body in other church locations:

> Ben Adams - the young man severely injured in a car accident early in January. He is now in Orangeville Hospital and still unresponsive. Given this long coma the doctor is not optimistic about a positive outcome. As you can imagine this news has been very difficult for his wife - Natalie, his children and family. Ben's parents know and love Jesus and have asked for the body to continue asking God to intervene THE Great Physician, in whom is our hope.

> Andre Oulette is doing really well as he continues the long road of recovery after his accident last year. He will be having another surgery on May 22nd on his wrist at Sunnybrook. Continue praying for Andre as he approaches this surgery.

> Cassandra and Richard are asking for prayer for their friend Joseph who has been sick for over a week now.

# Alpha

Our Spring Alpha adventure session continues on Tuesday evenings, exploring the basics of the Christian faith.

Each week we begin with a warm welcome and food, then we watch a video talk and finish with open conversation around the table - a chance to share thoughts and ideas about the video we've just watched without being corrected or judged. There's no pressure, no follow-up and no charge; it's just an open, informal, and honest space to explore and discuss life's big questions together.

*"Alpha is where I was able to go with people from all walks of life and come together to discuss faith. We ate together, we talked together, and we learned from each other."*  
- Martin, Alpha Guest

We're excited to partner with Connect Church in Bolton for this session of Alpha and you're invited to come and invite others! It's not too late to be part. We meet each Tuesday at Connect Church - 12495 HWY 50 in Bolton from 7-8:45 and it doesn't cost anything. So feel free to join this week if you'd like and invite someone to come with you. Limited childcare space is available.

For more information or details about Alpha - please check out [tryalpha.ca](http://tryalpha.ca) or the [Nashville web site](#) or contact the NRCC church office
