CELEBRATING FAMILY HAPPENINGS:

HAPPY BIRTHDAY to Grace Kennedy who is celebrating her Birthday on Wednesday December 16th!

HAPPY ANNIVERSARY to Dean & Lesley Kennedy who celebrate their Wedding Anniversary on December 17th!

COVID-19 AND IN-PERSON GATHERINGS UPDATE:

As a result of the Ontario health regulations unveiled November 20th for the Region of Peel that limit indoor Worship Gatherings to 10 people - our Sunday morning gatherings will move to **ONLINE ONLY** until further notice. We will continue to monitor the recommendations of our government and health leaders and when those regulations change, enabling us to wisely and safely meet again in person - we will look forward to doing that and we'll communicate those changes with the Nashville Road body. Until then we're grateful we can gather online as family to worship, connect and encourage as one in spirit and purpose!

SUNDAY MORNING GATHERING INFORMATION:

SUNDAY MORNING ONLINE GATHERINGS:

Please keep the link because once you receive the ZOOM link - it can be reused each Sunday morning without the need to request it again.

Check out the info on the last page of the eNews for help with using ZOOM to engage on Sunday mornings!

VIDEO YOURSELF SINGING / LIP SYNCING A CHRISTMAS SONG!

Buddy the Elf said the best way to spread Christmas cheer is singing loud for all to hear! We're know you're just bursting for an opportunity to share your Christmas joy!

So pick your favourite Christmas carol or Christmas song and video yourself and your fam either singing or lip syncing to it!

Then send it to [DEAN](#) and we'll show it at the beginning of our Sunday gathering! We're looking for some more NRCC talent to display and help us celebrate the most wonderful time of year!

FUNNY CHRISTMAS SWEATERS UNITE!

SHARE THOSE FUNNY CHRISTMAS SWEATERS!

They're wacky, creative, probably a little weird but definitely funny and unique ... but never ugly!

So break out your *Funny Christmas Sweaters* from their top secret storage containers, take a pic as you wear them with joy and send it to [DEAN](#) and we'll spread that joy by share them with the Nashville Road family at the beginning of our Sunday Morning gatherings in the next couple of week's before Christmas!

EXPRESSING COMPASSION:

We're partnering with Compassion Canada for the *We Rise As One* campaign to help meet the additional crisis needs for families in the Philippines during this COVID pandemic. Compassion is equipping local churches there, to provide immediate relief to the most vulnerable communities through urgent provision of critical needs like:

- > Food kits with rice, eggs, meat, milk and non-perishables
- > Medical care
- > Housing support - rent relief
- > Hygiene supplies like sanitizer, soap, vitamins and supplements, household cleaning supplies and protective masks

If you would like to contribute - please check out our [WE RISE AS ONE FUNDRAISING PAGE](#)

REVERSE ADVENT CALENDAR:

The Christmas season can be a difficult time for many - especially those living on a tight budget and even more so during the pandemic. Many of our community are experiencing food insecurity.

So here's a fun way to count down the days to Christmas and make a difference! Normally an Advent Calendar involves removing a small gift but a Reverse Advent Calendar is about putting in a non-perishable food item for each day until December 24th and then taking your box to a local food bank like The Exchange or Regeneration!

SHARING CHRISTMAS:

In Acts 4 we read that God's grace was so powerfully at work in the people of Jesus, that they shared everything they had" so that there were no needy persons among them." When God's grace flows - needs are met!

Beginning December 14th we're receiving our special offering to help share what we have to help meet some acute needs in our community. Please pray and prepare to give as God's Spirit prompts you.

If you're using [ONLINE GIVING](#) - in the "To" dropdown menu you'll see the opportunity to select BenEVOlent Fund from December 14th until the 21st in addition to the regular General Fund. For those who wish to give by mail or bringing an envelope to the building - please indicate on your envelope that it is a gift for the Benevolent fund.

SUPPORTING OUR COMMUNITY:

We're all working to pull together during this challenging season. To emerge with our communities strong and intact, we need to ensure that what makes them unique and special — the local businesses — are able to stay afloat.

When you need to place an order for a service, supplies or perhaps a takeout meal - please consider supporting local businesses and restaurants where it's possible. You could even purchase their gift cards to bless others. Then consider giving that business a shout out on social media to let others know too!

WAYS TO CONNECT + SERVE:

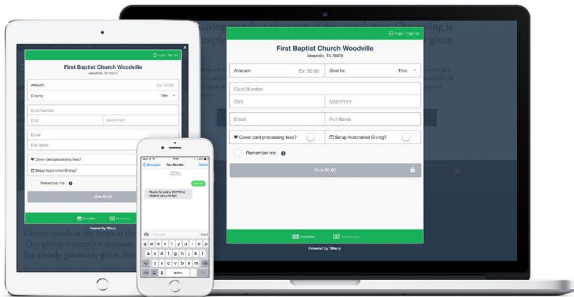

LOOKING FOR SOME TECH TEAMMATES!

Our Tech Team help us connect audibly and visually both in-person and online! Now more than ever as a result beginning our online gatherings - we need you to unleash your serve!

If you're into the techy side of things - or you're willing to learn then we've got the team for you!

Just send [MELANIE](#) an email to let her know you're interested.
