VOLUNTEERING AT IMANI'S PLACE!

It started with a woman named Lisa who had a vision to house, mentor and support young women who find themselves vulnerable, homeless and at risk for exploitation.

Imani's Place is now open and offers young women ages 16-25 who are at risk to become homeless or are currently homeless and disadvantaged the opportunity to move towards an independent and positive future in order to fulfill your personal potential.

We recognize young women need a wide range of support to help rebuild their life. We are able to help young women by providing a safe and secure place to regulate while providing life skills and a range of wrap around supports, including counseling, employment educational and spiritual and therapeutic supports as well as outreach services and in a family friendly atmosphere and model.

We are actively seeking qualified volunteers to help serve. If you are interested in learning more - please speak with [Marisa Parise](#) for all the details and to pick up a volunteer application.

THERMAL SOCKS NEEDED!

Julian Boynton is leading an initiative to help make a difference in the lives of Brampton's homeless at [Regeneration Outreach Community](#) and you can be a difference maker! We're looking for Thermal Socks to help meet a very practical need to bring warmth this winter. Julian has a "sock box" in the church building lobby right next to the Christmas Tree for you to contribute your thermal sock gifts. On behalf of Julian and the guests at Regeneration - thank you! Your generosity makes a tremendous difference!

SAVE THE DATE FOR THE COLDEST NIGHT OF THE YEAR!

The Coldest Night of the Year is on Saturday, February 22, 2020. CNOY is a family-friendly national walk-a-thon that's a great and fun way to live out the love of God! Our walking supports Regeneration Outreach Community in Brampton and raises funds that help to serve hungry, homeless and hurting people in our community and in 136 communities across Canada! Stay tuned for more info and lets plan to walk together!
