

Sunday Morning January 13th - Re:New>

Sunday we'll continue our Re:New series on how we relate to God. Have you stopped to consider how you actually relate to God? What are the assumptions and beliefs that govern the way you view and act towards God in that relationship? Maybe you relate to God via a list of "do's and don'ts" or "should's and shouldn't's". Jesus unleashed something radical and revolutionary - He didn't come to extend the old or update the existing version to Religion 2.0 We may just be carrying around weights of internal expectations on that relationship that God views as outdated, unnecessary and obsolete. Many of us may have grown accustomed and comfortable with blending the old with the NEW that Jesus brought and He said when you do that - everything gets ruined (Matthew 9:17) This Sunday we're going to take a journey to see the old way our ancestors related to God that Jesus rendered obsolete in light of His NEW in order to see "how we got to where we've come from." Looking forward to reNEWing life together!

Regeneration Outreach is a ministry in Brampton that continually strives to provide dignity for those in need, as an expression of Christian love in action. They serve those living in extreme poverty and homelessness by

meeting their physical and spiritual needs. One of our Nashville Road family - Dan Gibson, serves there as Chaplain. We can also stack hands and help extend God's kingdom in tangible ways by providing new and gently used clothing. Presently they are in big time need of - men's pants, t-shirts, shoes, belts and hats. Also any sort of jackets, back packs or bags are always very helpful. New socks and underwear are always in need. If you bring these items to the church building we'll be happy to pass them along to Dan for Regeneration. Please check out the [Regeneration website](#) for all the info on this great ministry!

Praise & Prayer

Praise the Lord:

> Joycey Romeo's cancer surgery on Wednesday was a success! She wanted to thank the Nashville Road body for praying for her and her family. She will be in Mount Sinai for a week and then will be transferred to rehab where she will be fitted with a prosthetic leg and recover for up to 2 months. Please continue to remember Joycey and her husband Rocco and the rest of their family as they begin this new part of their journey.

Join in Prayer:

> LeeAnn Major's niece Brianna is 33 weeks pregnant. The baby is tiny. Her head and vital organs are growing but her body is not. Should this pattern continue next week, they are considering taking the baby early, which poses other challenges. Please pray that God would intervene on the baby's behalf so that she can receive proper nutrition in utero.

> Reta Campbell in Jamaica as she connects with the other church ministries in her area to work together to support children and families. Please pray for unity and passion to serve together as the larger body of Jesus.

> Mark Webb is awaiting test results for the cause to an irregular heart beat he's been experiencing the last few weeks.

> Heather Campbell as she is coming to the end of her chemotherapy treatments.

> Marisa Parise will be leaving on Wednesday January 16 to begin the first part of her trip to Asia before her Mission in Laos in March. She will be assisting in "freeing the children mission". Please pray for her as she travels and prepares. Marisa is collecting the following to fill 1 large suitcase to take with her to give away: tooth brushes & toothpaste > a selection of Tylenol, both regular & extra strength > Aspirin, Aleve, Gravol, Immodium, Advil, > as well as cold versions of Tylenol and Advil (sealed bottles please).

If you are aware of items for praise or needs we as a community can join in prayer together - please let Melanie in the church office know or email melanie@nashvilleroad.ca
