

# SUMMER in the PSALMS

10:30 Sunday Morning

NASHVILLE ROAD  
COMMUNITY CHURCH

## Sunday At Nashville Road Cottage!

Do you ever misplace your keys? Today there are all kinds of really good electronic gadgets that you can attach to your keys that send a signal to your smartphone to find them if you misplace them. At our house we've got a decidedly low tech version which we call a "hook" that's attached to the wall just inside our front closet. If you simply "hang" your keys on it when you come in - they are almost impossible to lose! Communion is sort of like that for Christians. It's a hook on which "key" elements are remembered. This week we'll celebrate communion at the cottage as we look at Psalm 22 which is a Psalm that Jesus quoted from on the cross. It's a Psalm that takes us from the valley of despair to the mountain of delight - from victim to victory as we see in the cross the passion of God for His creation and thru the cross - the purpose of God and ultimately we can declare Praise to God. We're bringing a little of the northern vibe to NRCC as we gather on Sunday mornings with the outdoors > indoors! It's morning by the water at "Nashville Road Cottage" once again as we sit by the dock and worship together as a larger family! Looking forward to meeting you "by the lake" on Sunday at 10:30!

## LETS TRY THAT AGAIN!!

Last week the weather didn't co-operate and our picnic at the Lawsons was postponed - so we're trying it again this Sunday! Just bring your picnic lunch (and swimsuit) but instead of eating in our backyard at the Nashville building, we're going to head to the Lawsons! **251 Glenwood Crescent in Bolton** - about 10 minutes from the NRCC building. We've enjoyed the chance to hang out and break bread together with our after gathering picnics! The idea is "together" and that can happen in different locations. In the (unlikely) event of inclement weather we will once again remain at the church building to picnic.

Happy 70th Birthday to Sherril Perry who celebrates on July 29th! Have an amazing day Sherril and an awesome year ahead!

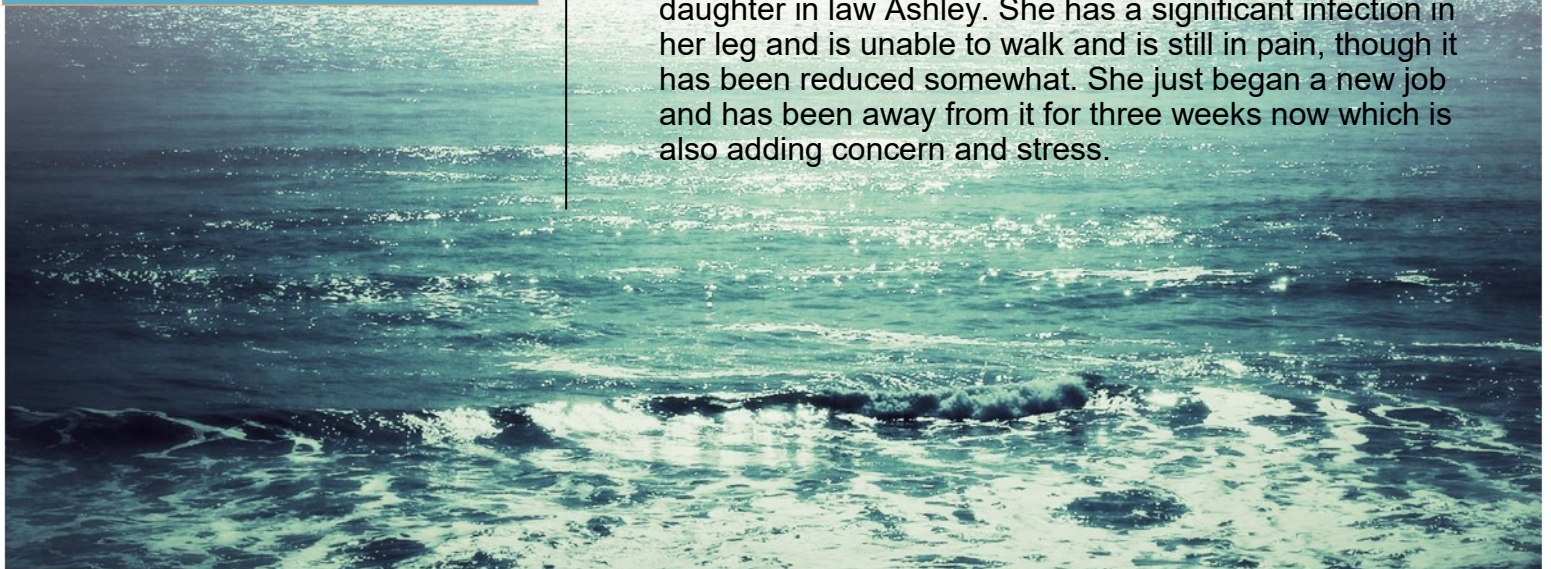

Happy Birthday to Bob Elliott who celebrates his birthday on August 1st! Have a great day Bob!!

## Praise & Prayer

- > Continue to pray for Sandra and Chris Augusto and their newborn baby Isaiah and his big brother Ezra.
- > Another excellent Serve N' Soccer opportunity this past Wednesday! A great team of servant leaders extended God's kingdom into the lives of our neighbours who came to our backyard soccer fields. Please continue praying for courage and for listening ears and receptive hearts as we serve and point to Jesus with these simple acts.
- > Pray for the teachers at KELC - our daycare center. Summer is a time of rest for many but KELC is still in high gear each day from 7am - 6pm and it can be a challenge as new children make the transition to daycare.
- > Andrea Wilson's youth initiative is going really well each Wednesday at Chez Place in Bolton. Pray for Andrea as she puts flesh on the Message of love and reconciliation by guiding young people to set goals and envision what "life" can be like.
- > Pray for one another during the summer for the opportunities we have for times of refreshment whether that be on vacation for families, for kids away at camps, for safety for those travelling and for times of connection and reconnection with our neighbours that the summer months allow.

We have been asked to pray for baby Adrienne Cox. She was taken to Sick Kids on Tuesday due to intense vomiting. The doctors are concerned that her bowels are not hung properly. In order to diagnose this, they have to do a test which requires high amounts of radiation. They feel that is too extreme at this point. Adrienne has been released from the hospital. Her family are heading to their cottage for a week. Please pray that there will be no re-occurrence while they are away. Pray for peace for her parents, and for healing for Adrienne.

Please continue praying for Jim and Christine Gerber's daughter in law Ashley. She has a significant infection in her leg and is unable to walk and is still in pain, though it has been reduced somewhat. She just began a new job and has been away from it for three weeks now which is also adding concern and stress.

## Youth BBQ!

This Saturday the youth are gathering at the Kennedy's for chance to connect and hang together ... oh, and eat and play some games and swim and have a campfire ... so lets call it a BBQ! All you need to bring is your energy, appetite and enthusiasm! Oh, and if your parents want to come and hang out too - they're welcome and we'll make sure we get them involved and let you pound on them a bit!

**Date:** Saturday July 28

## School Supplies and Clothes for Jamaica

The "Back to School" sales are beginning and as you plan for your student's back to school needs - could you add in an extra set of pencils or a binder maybe, or some pencil crayons? Reta Campbell will be heading to Richmond Jamaica again in late Fall and we can help bless the school children there with supplies they need! It's a great way to live out/express God's love as a body. We'll have a box set out soon for your contributions! Reta is also looking for very light weight 100% cotton clothes (the more style and colour the better!) to take with her as well. For more details please speak with Reta!

Nashville Road Community Church is excited to be part of the Bolton/Vaughan community! We care about our community and we desire to live out the love of God “as a people who” are full of His peace, hope and love and that allows us to be a blessing to everyone who calls it their home as well!

Our soccer fields are a place of gathering for many families during summer evenings and it's a great opportunity to live out that love of God in practical ways! We know for parents that there are some nights when getting everybody out the door to soccer can be a real challenge! So we think a small way we could help might be to provide some hot dogs and freezies for our neighbours when they arrive with their kids and families while they are watching the games.

This past Wednesday we grilled up and gave away lots more Hot Dogs and tons of freezies! That small offering of food was enthusiastically received as a blessing and made a connection with our neighbours and we enjoyed lots of conversations! It's a small way to bring the reality of God near to someone and a door is being opened that we can share about Jesus in some way.

We've fired up the grill twice already this summer and so from 6:30-8:30 we're going to set up a tent and the grill on the remaining evenings throughout the summer as a small act of kindness:

### **Wednesday August 8th and Monday August 20th**

We'd love to have you help in serving others. It's not complicated - all you need is a smile, a simple “hi” and “would you like a hot dog or a freezie”! If you can be part of our team for any of these evenings - please let us know by signing up at the back of the chapel. If you are unable to help - can you please remember to pray for us on those evenings as we serve - trusting that God takes the seeds we plant, others water and He makes them grow!
