### HEAD TO THE NRCC COTTAGE TOGETHER!

Can you picture it in your mind? The mist rising off the stillness of the lake ... the call of a loon ... the lapping of the water as it gently makes shore! Ah, morning by the water at a cottage! It's summer in Ontario! With it comes a sense of relaxation and times of contemplation, as you slow down just a little, and sit in the warm sun in your favourite chair, and just enjoy life!

To help with that we're trying to bring a little of the "Muskoka" vibe to NRCC as we gather on Sunday morning with the outdoors > indoors!

This week begins our "Summer in the Psalms" with a chance to contemplate many of our well-loved Psalms, and there's no better place to start than with Psalm 1.

So read ahead and come ready to see how the Psalmist sets the stage, giving us a preface for all the other Psalms ahead. Come ready with your favourite coffee mug and folding chair if you want as we "sit by the dock at the cottage" for a relaxed time of sharing in the Psalms together!

### PICNIC TOGETHER:

Our gatherings this summer begin at **10:30** and we'll end by 11:30 which will leave extra time afterwards if you want to bring along a picnic lunch and stay awhile with friends and family and enjoy our NRCC grounds and backyard! It's a great chance to get to know others, relax and enjoy this great season together! Hope to see you then!

# Praise & Prayer

> Continue praying for Sandra Augusto - a teacher at KCA. Doctors have diagnosed her baby with a heart condition, AVSD. Pray for healing and a miracle for the baby and strength for Sandra and her husband Chris on this journey.

> Pray for Gloria and Gerald Bannon as Gloria continues her battle with cancer

> Pray for the youth in Bolton and for those who give leadership at Che's Place.

> Please continue to pray for baby Mara Ross, she has been released from the NICU, but still is in hospital. Pray for continued strength and health.

> Pray for our upcoming Serve N' Soccer on Monday as we get the chance to show practical love and kindness to our neighbours on our soccer fields. Pray that God would open to us a door to share the mystery of Christ in some way!

> Giovanna Heron has a job offer! Praise the Lord! Pray also for wisdom as she considers it and read her latest update below!

## UPDATE FROM GIOVANNA:

I just wanted to update that I have received a job offer! I will be relocating again to Terrace, BC which is further north, but enjoys a similar climate to Nanaimo where I am now.. It seems like a great position, and I will be working mostly with First Nations children and youth.. There are other youth and families in the area that I will be able to work with as well. The "Highway of Tears" that runs from Prince Rupert to Prince George also passes through Terrace, and I think there may be some opportunity to work with families who have had women and girls murdered or missing along that highway.

I am also praising God for the guidance of the Holy Spirit. During my interview with the panel, I did mention that it was very important to integrate spirituality into my counselling. At the time I wondered whether it would have cost me the job. However I did feel it was important to remain true to God who has guided me this far. When I was offered the job, the supervisor (she would be my supervisor) expressed that she would encourage the incorporation of spirituality into the practice. She thought it would be so beneficial that if there was any further training I needed for spiritual counseling (whether it be Christian specific or understanding more about Indigenous spirituality), she would approve the initiative!

Thank you so much for all your prayers and support this past month.. I still get the prayer requests in the e-news and from Gail, and have been praying with and for you all as well. After being at NRCC for 10 years, it has been like family. *We are all God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do.*

*Giovanna*

## SUMMER SERVING AT NRCC:

Thank you for those who have expressed interest in serving with **Kids Konnection** this summer! The NRCC Kids Konnection team is looking for volunteers to help us out this summer as we take a break and enjoy some fun with the combined Junior and Senior programs. July 1 through September 2 we are looking for volunteers to host on Sunday morning with two exciting video series and associated games. See Charissa Redlich for more information or email at

## Family Happenings!

Happy Birthday to Ophelia Vijayakumaraa who celebrated her birthday on July 7th!

Happy Birthday to Emma Fitzell who celebrated her Birthday on July 3rd!

Belated Happy Anniversary to Roger & Lynne Elliott who celebrated their Wedding Anniversary last week!

Nashville Road Community Church is excited to be part of the Bolton/Vaughan community! We care about our community and we desire to live out the love of God "as a people who" are full of His peace, hope and love and that allows us to be a blessing to everyone who calls it their home as well!

Our soccer fields are a place of gathering for many families during summer evenings and it's a great opportunity to live out that love of God in practical ways! We know for parents that there are some nights when getting everybody out the door to soccer can be a real challenge! So we think a small way we could help might be to provide some hot dogs and freezies for our neighbours when they arrive with their kids and families while they are watching the games.

So from **6:30-8:30** we're going to set up a tent and the grill on the following evenings throughout the summer as a small act of kindness:

**Monday July 9th, Wednesday July 25, Wednesday August 8th and Monday August 20th**

We'd love to have you help in serving others. It's not complicated - all you need is a smile, a simple "hi" and "would you like a hot dog or a freezie"! If you can be part of our team for any of these evenings - please let us know by signing up at the welcome desk.

### **GREAT SUMMER OPPORTUNITY FOR STUDENTS!**

Andrea Wilson is running a fantastic "SUCCESS BY DESIGN" program geared for high school students this summer at Che's Place - the youth center in Bolton! Check out the information flyer below - look at the YES & NO questions for parents and students and talk together about impact and potential and with your son or daughter about "SUCCESS BY DESIGN" - it's a 7 week program from 11am-1pm each Wednesday that also includes lunch!
