NASHVILLE ROAD
COMMUNITY **CHURCH**
A PEOPLE WHO ARE LIVING OUT THE LOVE OF GOD

Everyday we are faced with a dazzling array of options and choices and decisions. In the average supermarket there are over 48,000 items to choose from ... *and no matter what's on my list I always manage to forget to buy milk!* Even our GPS guidance systems designed to make travel simpler give us directional options we have to choose from. We're also bombarded with over 3000 messages a day about what choices we should make based on the simple formula that you are not who you should be and if you purchase this product you will be! "Decision-Fatigue" is a reality and why many mental health professionals report such an increase in burnout. How do you navigate the myriad pathways of life? The reality is we all have or look to something or someone to guide us whether that's a person, our intuition, emotions or intellect. We're just like sheep looking for and listening to some kind of a shepherd. So ... who guides you? Jesus gives great comfort to our deep yearning for guidance and leadership in our lives as He tells us "I Am the Good Shepherd." On Sunday morning we'll look at His words in [John 10:1-18](#) and look forward to worshipping together as family!
