

This Sunday we're continuing our series "Change: Embracing Gospel Reality" as we look at the implications of walking or living our lives according to reality of the Good News of God's Kingdom. When Jesus challenged his listeners to "Change" - He used the word "repent" but He didn't mean only to stop living or behaving a certain way but He said to repent (change) and BELIEVE. Let go of one pattern of living and grab hold of His pattern of living, His way, Kingdom living ... which is the way to truth and life.

Last week we talked about God's purpose for us and His equipping of us with passion and gifts to delight Him as we walk in His Way! This Sunday we'll encounter more of God's provision for His children to live out the love of God as we bring out the realities of THE Gospel from our hearts and near to those in desperate need of Good News! See you Sunday!

Help Needed!!!

Egan's Memorial. We need some assistance providing baked goods for this important service. Every year we support our grieving community through this difficult holiday season. If you can provide a baked good or help serve or clean up please sign up at the welcome centre.

CONNECT CARDS:

Church is a people who God's love and grace are changing! We get to be a large family! Families communicate the important stuff that's happening in their lives often around a dinner table! We'd love to celebrate, support and pray for one another when we hear about what's happening. One way to do that is with the Connect Card. Think of it as the family dinner table in convenient card form! You can pick one up any time and place it in the offering plate on a Sunday or the Connect Card box

Baptism!

One of the great blessings as a follower of Jesus is baptism! Those who have placed their faith in Jesus Christ and received Him to be their Lord and Saviour are to be baptized. The reason for this is that baptism is a visual representation of the transforming power of the gospel! It is a visible, outward sign of an inner spiritual reality! It's also a unique opportunity to publicly affirm our devotion to Jesus. If you have been thinking about being baptized - we're excited to help as we look to celebrate baptisms during a Sunday gathering in the next little while.

Please speak to one of our elders or leaders for more information!

FREE!!!!!!!

Free Books!

We have a large number of Children's books that have been donated to the school and we are invited to look thru them on Sunday! Please check them out and you are welcome to take as many as you would like for free!

Living out the Love of God

Living out the love of God with Hospitality:

The apostle Paul asked for prayer that God would open up a door to share the Good News of Jesus! Over the last few months we have had several requests from our neighbours if they can use the building for a weddings. Might this be a door that God is opening to us as a church body? We have a great facility but our desire is not simply to provide a room but to show the love of God thru our hospitality here. So we're wondering if there are those in the Nashville Road body who have a desire to serve as part of a hospitality team that would be able to host families from the community who may want to have their wedding ceremony at our building? Can you please prayerfully consider that and if that is something that God has placed in your heart - please speak to Dean or one of our elders or contact the church office as we'd love to talk with you about it!

Young at Heart Christmas Luncheon

The seniors are having their annual Christmas luncheon here in our building on Monday December the 4th. We would love to bless them with preparing their meal for them, but we need your help! If you are willing to bake, or cook a dish, please see the list available at the welcome centre. Kindly drop off your contribution at the church either Sunday morning or you are welcome to bring it here on Monday morning. We will need a small team here at the church to make sure the dishes are hot and ready to serve. KCA students will be our waiters and dishwashers! Let's show our seniors how much we love them!!
