

# THE GOSPEL

THIS CHANGES EVERYTHING

## THE Gospel:

Back in the day - when 3D movies were first introduced, the visual effects were not that stunning. They were more gimmicky than awe-inspiring. Movies were filmed using 2 slightly separated cameras and you would wear funky glasses with a red and a blue lens in order to combine the separate images into a single one. In recent years we've seen a huge improvement in 3D technology, but without wearing those nerdy glasses and viewing the film through both special lenses simultaneously, the picture is blurry, distorted and not what the director had in mind.

THE Gospel needs to be viewed thru 2 perspectives or lenses so that we see both it's power and purpose! Then we'll understand how Big this Good News actually is!

THE Good News of Jesus is not simply about my individual happiness or God's plan for my life; It is about God's plan of restoration for the entire world! When we trust Jesus work - we're caught up into that grand adventure and we get to retell our unique journey in His amazing story of redemption! Thru that - the whole world is being filled with God's glory!

See ya Sunday!

**Don't forget to set your clocks back on Saturday night or you will be really early for church!!**

# Share your story

We are a people who are living out the love of God. That's who a disciple of Jesus is and that's who the church is! Beginning in September we're going to look who we are as Nashville Road Community church. We are people who come from all sorts of different backgrounds and places on earth and we've come together because we've met Jesus! We didn't just shake His hand and walk away but we're now walking with Him together. So during our upcoming Sunday gatherings we want to hear the personal stories of how Jesus first became real to us! Everyone's story is different and it's exciting and encouraging to hear about the journeys and stories where God intersected our story for His glory (yep, I see that rhyme now!) We'd love to have you tell your story either live or on video (if that makes you feel more you'd comfortable) Either way - we just want to hear the story of you meeting Jesus! We're going to be looking for people so please contact Dave Lawson and let us know you're interested!

## CONNECT CARDS:

Church is a people who God's love and grace are changing! We get to be a large family! Families communicate the important stuff that's happening in their lives often around a dinner table! We'd love to celebrate, support and pray for one another when we hear about what's happening. One way to do that is with the Connect Card. Think of it as the family dinner table in convenient card form! You can pick one up any time and place it in the offering plate on a Sunday or the Connect Card box

## **NRCC Family Fun Update:**

Hi church family!  
Jim and I will be running the Hamilton half marathon 21 km race this Sunday morning. We did not train as much as we probably should have and are not in as great a shape as we were for our last run but we're excited to do this one anyway! It's mostly downhill so hopefully that's in our favor! We'll let you know how we do! Have a great time of worship together on Sunday!

Love Jim & Christine Gerber

# Living out the Love of God

## Living out the love of God with Hospitality:

The apostle Paul asked for prayer that God would open up a door to share the Good News of Jesus! Over the last few months we have had several requests from our neighbours if they can use the building for a weddings. Might this be a door that God is opening to us as a church body? We have a great facility but our desire is not simply to provide a room but to show the love of God thru our hospitality here. So we're wondering if there are those in the Nashville Road body who have a desire to serve as part of a hospitality team that would be able to host families from the community who may want to have their wedding ceremony at our building? Can you please prayerfully consider that and if that is something that God has placed in your heart - please speak to Dean or one of our elders or contact the church office as we'd love to talk with you about it!

## Samaritan's Purse Boxes:

We have an opportunity to receive some extra boxes to help with the Samaritan's Purse Christmas Shoebox ministry! If you, your family and friends are interested in taking a box - we'll have them available on Sunday morning for you to take, fill and return by November 19th.
