

### Sunday Morning November 11th gathering ...

This Sunday we have a unique opportunity to gather on Remembrance Day. We're reminded of the sacrifices of so many given to bring about peace. We honour those and see that in the giving of their lives - they help point to - an ultimate sacrifice that brings lasting peace. Jesus' sacrifice has brought us the opportunity to gather and express the truth of resurrection and reconciliation! It's an easy to overlook reminder of the truth of the Oneness that Jesus has given us in Him! We who are many are one! We'll worship God as one and continue seeing how the Gospel is transforming us as a "people who are living out the love of God" as we look at all of life as ways to live out that love with intentional incarnation rather than additional attraction! Looking forward to being together as a family of missionary servants!

Regeneration Outreach is a ministry in Brampton that continually strives to provide dignity for those in need, as an expression of Christian love in action. They serve those living in extreme poverty and homelessness by meeting their physical and spiritual needs. One of our Nashville Road family - Dan Gibson, serves there as Chaplain. Presently they are in big time need of - men's pants, t-shirts, shoes, belts and hats. Also any sort of jackets, back packs or bags are always very helpful. New socks and underwear are always in need. If you bring these items to the church building we'll be happy to pass them along to Dan for Regeneration. ### **Family Communication Meeting: Sunday, November 11 @ 6:30pm**

For some time now the elders have been engaged in a process of discernment about a change of denomination for the church body, to better align our beliefs regarding the role of women in leadership with denominational position. For the Nashville family to engage further in the process we've invited Melody Currier from the Canadian Baptists of Ontario and Quebec (CBOQ) to come and share about the CBOQ as well as providing a chance to ask our questions. In advance of Sunday evenings meeting - please check out the CBOQ website at [baptist.ca](http://baptist.ca) to get a sense of who the CBOQ are. We'll have some dessert and coffee ready at 6:30 Sunday evening and we're looking forward to that evening together.

We collect the boxes and distribute them in the name of Jesus Christ to children living in desperate situations. It also reminds to remind those children suffering as a result of war, poverty, famine, disease, and disaster that they are loved and not forgotten. Each year, millions of shoeboxes are packed with gifts by people in Canada and nine other "sending" countries, and given to children in more than 100 "receiving" countries.

## Hospitality!

When we see or hear the word “Hospitality” most of us probably think of entertaining or hosting friends or family for dinner or maybe of the service that a hotel provides. But the original word hospitality is a compound word that contains two incredibly powerful concepts that include “brotherly love” and “alien or stranger”. So instead of simply being understood as “entertaining guests” the word becomes “one who loves strangers/immigrants like you would your own brother.” That’s a big difference, and completely changes the way we see this term. In fact that word is used over and over again in the New Testament, indicating that one of the hallmarks of a Jesus follower is a radical love for those we are unfamiliar with — expressing it the same way we would love our own brothers or sisters! Wow! Practicing authentic Hospitality is an expression of the Good News of how Jesus has radically reshaped us and brings us together as One family! Nashville Road Community church is a people who are living out the love of God and whether we gather in our homes or at the church building we want to be with that kind of authentic hospitality that includes a genuine welcome but goes beyond what our culture settles for. As Jesus says - goes the extra mile!

So - we’re looking to recognize, raise up, and release a team of people to express that kind of family hospitality - particularly right now for when we gather on Sunday mornings! Imagine walking into the building and you, your family and friends feeling instantly and genuinely welcomed, comfortable and at home! We want that to be an ever increasing reality as we live out the love of God! Practically speaking we’re looking for people who can give a lead in being near the doors intentionally greeting people when they arrive and helping them get comfortable as well as others whose hospitality will take the form of preparing and serving coffee, tea and goodies.

If you are interested in serving as part of that team we’d like to invite you to join us for lunch on **Sunday November 18th from 12noon to 1pm** right after the morning gathering. Our plan is to share a little more about what we envision for the Hospitality Team as well as giving a brief description of the specifics that you could expect as part of it. There will also be some time to ask any questions you might have. We’ll meet at the church building and provide pizza and salad and aim to be finished no later than 1pm so you can enjoy the rest of your Sunday.

If you are interested in expressing your serve that way - please sign up at the Welcome Desk in the lobby on Sunday and don’t be surprised if you are tapped on the shoulder by someone who asks if you are interested - because they think you’ve got what it takes! Thanks for praying and considering expressing your identity as a family of missionary servants living out the love of God!
