OPERATION CHRISTMAS CHILD BOXES COLLECTION WEEK / NOV 17-22

Here's another great opportunity to live out God's love! Operation Christmas Child is a hands-on way to bless struggling children in the developing world by filling shoeboxes with toys, hygiene items, school supplies, and other items. We collect the boxes and distribute them in the name of Jesus Christ to children living in desperate situations. It also reminds those children suffering as a result of war, poverty, famine, disease, and disaster that they are loved and not forgotten. Each year, millions of shoeboxes are packed with gifts by people in Canada and nine other "sending" countries, and given to children in more than 100 "receiving" countries.

We'll have those Shoeboxes ready this Sunday morning in the church building lobby for you to pick up, fill and return and bless!

SUNDAY MORNING GATHERING NOVEMBER 10

Ever seen the movie "Rudy"? It's about an ordinary guy who dreamed of playing football at Notre Dame. The odds were stacked high against him making the team let alone playing ... yet at the end of the movie, the players, coaches and stadium crowd are chanting "Rudy! Rudy! Rudy!" This Sunday we'll look at when we pursue loving God by loving others - the ordinary becomes extraordinary! Looking forward to engaging and worshipping together!

LIVIN' OUT THE LOVE AT CHRISTMAS!

"For God so loved the world that He gave His only Son ..."
 To say that Jesus is the reason for the season is correct but it actually misses a significant point - Mankind is the reason Jesus came. God loved the world so much that He gave at great cost to those who mattered most! As people of Jesus - we get to live out that same love each day in practical ways. This is a season where perhaps we become more aware of the ongoing needs of many in our community and the many organizations that provide resources to those in need and that is a good thing.

As a people who are living out the love of God - we are servants and are part of this community to make it better than it could be without the body of Christ in its midst. As you consider different options for enacting your serve please consider how you can support the needs that the Caledon Community Services Santa Fund help to meet:

There are 213 individuals and families and 199 children in Caledon that live below the poverty line who need your support. They don't know if they will have heat or food, let alone dinner and gifts on Christmas morning. "We sometimes have to choose between paying the rent and paying the heating bill" says one CCS client.

For 36 years, beginning in 1982 the Santa Fund has assisted families and children in Caledon to have a joyful holiday season and make the months ahead brighter. Over the years, thousands of Caledon families have turned to CCS for support that would not have been possible without YOU.

As always, CCS' Santa Fund will distribute donations of food and new toys this holiday season. Even more importantly, CCS will provide things like home heating, medical prescriptions, emergency expenses and counseling to 213+ Caledon families, including over 199 children. There are 1,300 low income families in Caledon according to Peel Data Centre, this means there are almost 1,100 families in need that can benefit from our help!

You can [donate online](#), visit the Santa Fund Workshop located at The Exchange at 55 Healey Road, Bolton or contact Santa's Helpers at (905) 584-2300 ext 236, they'll be pleased to help you!

A OUTWARD SPIN ON AN AWESOME TRADITION!

Advent is almost here and perhaps you grew up looking forward to the Advent Calendar where each here's a cool spin on the advent calendar day you counted down the days until Christmas by either moving a little star on a calendar or opening up a little pocket or box to reveal a tiny gift. It's a fun way to count down the days until Christmas. *There's a 24 days of Tea Calendar from David's Tea if you're interested!*

Here's the spin on that - it's a *Reverse Advent Calendar* and the idea is the opposite of what we normally do. Instead of taking something out the idea is to put something aside in a box each day for 24 days of Advent and then give the basket to a local food pantry after it is filled on Christmas Eve. The Exchange, right in Bolton is a great place to donate your basket! Here's some ideas:
