

A people who are living out the love of God!

Confidence as defined by the dictionary is the feeling or belief that one can rely on someone or something; firm trust. Many times in our life we face uncertainty and challenges and David the Psalmist shows how he builds his confidence in God and deals with these challenges.

This Sunday Pastor Shehan Pereira will be speaking. Pastor Shehan is married with two sons and serves as pastor to the English congregation at Calvary Centre - House of Prayer in Ja-Ela, Sri Lanka. His passion is to Reach, Teach and Disciple people for Christ. This Sunday he will be preaching on "Confidence in God" and looking at Psalm 27. We look forward to gathering together and welcoming Pastor Shehan with us!

Share your story

We are a people who are living out the love of God. That's who a disciple of Jesus is and that's who the church is! Beginning in September we're going to look who we are as Nashville Road Community church. We are people who come from all sorts of different backgrounds and places on earth and we've come together because we've met Jesus! We didn't just shake His hand and walk away but we're now walking with Him together. So during our upcoming Sunday gatherings we want to hear the personal stories of how Jesus first became real to us! Everyone's story is different and it's exciting and encouraging to hear about the journeys and stories where God intersected our story for His glory (yep, I see that rhyme now!) We'd love to have you tell your story either live or on video (if that makes you feel more you'd comfortable) Either way - we just want to hear the story of you meeting Jesus! We're going to be looking for people so please contact Dave Lawson and let us know you're interested!

CONNECT CARDS:

Church is a people who God's love and grace are changing! We get to be a large family! Families communicate the important stuff that's happening in their lives often around a dinner table! We'd love to celebrate, support and pray for one another when we hear about what's happening. One way to do that is with the Connect Card. Think of it as the family dinner table in convenient card form! You can pick one up any time and place it in the offering plate on a Sunday or the Connect Card box

Prayer...

Please pray for Donna Wright who needs healing of leg ulcers which have been persistent

even after treatments and many visits to specialists. Her husband Dave needs our prayers as her care-giver.

Praise...

WE celebrate all of our volunteers! Thank you for all you do! Without you, church would not run as smoothly, it takes you to make church happen, we appreciate you!!

Living out the Love of God

Living out the love of God with Hospitality:

The apostle Paul asked for prayer that God would open up a door to share the Good News of Jesus! Over the last few months we have had several requests from our neighbours if they can use the building for a weddings. Might this be a door that God is opening to us as a church body? We have a great facility but our desire is not simply to provide a room but to show the love of God thru our hospitality here. So we're wondering if there are those in the Nashville Road body who have a desire to serve as part of a hospitality team that would be able to host families from the community who may want to have their wedding ceremony at our building? Can you please prayerfully consider that and if that is something that God has placed in your heart - please speak to Dean or one of our elders or contact the church office as we'd love to talk with you about it!

Thank you.....

My Nashville Rd. Family,

I must express my thanks for your generous support for the Jamaican project. Thanks for your contribution to the school supplies, your prayers and encouragement. Pray that as God continues to use me in this area that He will grant us wisdom and understanding as we seek to be the hands and feet of Jesus.

Blessings

Reta
