

Sunday Morning October 14 gathering ...

Pop quiz - what's the only structure that gets stronger as it gets bigger? Nope, not a Big Mac - *that could be interpreted on so many other levels!* It's actually a Geodesic Dome. If you've driven by the Cinesphere along Lakeshore by Ontario Place - then you've seen a Geodesic Dome. It's strength and growth potential comes from the bringing together of 3 beams to form a triangle. There's an UP, IN and OUT dynamic at play. The strength of each beam and angle supports the other and allows for the creation and addition of other triangles so that it grows stronger as it grows bigger. That UP, IN and OUT dynamic is also a great picture of how a disciple of Jesus grows. When a group of disciples connect - church happens! We know Church is a people who ... are brought together (reconciled!!) in their relationship to Jesus and live out that Oneness as a body of disciples growing stronger together in Christ as each one takes responsibility to welcome and support others and be supported by others. This Sunday morning we're going to gather and look at the UP, IN and OUT expressions of following Jesus and how we as a body plan to pursue the mission of making disciples that Jesus has sent us on as a family of missionary servants - One in Spirit and Purpose! Looking forward to being together!

Have you ever wished you could just sit down and have a good long talk with God? Wouldn't it be great to move

past a belief that God loves you to actually hearing God whisper words of love into your heart? When you're worried or confused, wouldn't you love to see the situation from His perspective? Wouldn't it be great to hear how he wants you to respond? When things don't seem to be going your way wouldn't it be great to hear Him tell you where He is in the midst of it and what He is working out in your life.

On Sunday mornings at 9am in the NRCC Church office, there will be an opportunity for practicing hearing God's voice. This is a chance to listen and discuss what is heard in a safe and accountable small group environment.

Love Does

Paul wrote in Ephesians that walking in the way of Love - like Jesus did is a fragrant offering to God. What's your vision for kindness? Bob Goff has written an amazing book that inspires the followers of Jesus to put love into action. Bob Goff has become something of a legend, and his friends consider him the world's best-kept secret. Those same friends have long insisted he write a book, and he finally did. It's full of paradigm shifts, musings, and stories from one of the world's most delightfully engaging and winsome people. What fuels his impact? Love. But it's not the kind of love that stops at thoughts and feelings. Bob is convinced love takes action. Bob believes Love Does. Here's another idea of how you can put love into action - just like Jesus did for you

Family Communication Meeting: Sunday, October 21

There will be a short family communication meeting following the gathering on Sunday, October 21 to provide an update and further information about next steps in our process.

Stay tuned.....

Family Hapenings

Happy Birthday to Doug Lister!! Doug celebrates his 29th birthday on October the 18th!

What is this? Something you sit on or is it actually something far bigger and grander? Do you see a chair or an opportunity? An invitation? The beginning of an adventure? How does this chair become an expression of the Good News of Jesus when we gather?
