SUNDAY MORNING GATHERING OCTOBER 27

"Gentlemen, this is a Football." Those words were spoken by Vince Lombardi - legendary head coach of the Green Bay Packers at their training camp in 1961. The season before they had squandered the lead and lost the NFL Championship game to the Philadelphia Eagles. Lombardi then proceeded to explain the basics or the core elements of the game to his group of professional athletes. Though they were incredibly talented football players - his reasoning was you never outgrow the core. 6 months later - they were NFL Champions.

At Sunday's gathering we're looking at being intentional about growing in our relationship with Jesus - looking at the core habits that may seem ordinary or even menial but lead to a lifetime of growth and joy in Jesus. Hope to see you then as we worship, engage and grow together!

MENS BREAKFAST

SATURDAY / OCT 26 / 8:30AM / THE NRCC KITCHEN / \$5

Each month we get together for breakfast, to experience first hand the culinary delights of the legendary Dave & Jason that's sweeping all of Bolton / Kleinburg. Following the feast, we have an informal time engaging in discussion around God's word that is relevant to the everyday lives of men, fathers and sons in our communities.

PLAN TO PROTECT LUNCH/TRAINING

SUNDAY / OCT 27 / 12NOON - 1:30PM / THE CHAPEL

As a people who are living out the love of God - we pay close attention to how we serve one another when we gather and want all to be safe, secure, loved and cared for. As part of our commitment to serving well - our leaders who serve with children and youth are required to be trained in our policies and procedures that are designed to protect both the served and the servant.

We're holding a training session immediately following the October 27th Sunday gathering for all those who look after the most precious part of our community. It's designed for new leaders as well as a refresher for those already serving. It's free, helpful and lunch will be provided.

Please contact [Melanie](#) at the church office to let her know you will be there. Thanks!

WOMEN'S CONNECT+GROW

A GREAT OPPORTUNITY AWAITS!

THURSDAY OCTOBER 31

In just a couple of weeks an amazing thing will happen in your neighbourhood! Your neighbours with their children will actually come to your place, knock on your door or ring your doorbell! It's Halloween - a great opportunity to bless the families of those escorting their little trick or treaters! Now, depending on your feelings or background, Halloween and trick-or-treating may be uncomfortable for you, but it's a tradition that literally has kids and parents lining up at your doorstep! It's a great opportunity for Jesus' mission. So as we look ahead to the 31st we'll share an idea here to help connect with people and really prime the pump for relationships in your neighbourhood this Halloween!

This week's idea: **Offer a Warm Drink and a Chance to Relax** for a few minutes. The evenings are colder now! Set up a table out front with a few chairs and offer hot chocolate or cider. Ask people if they want to "take a load off" for a few minutes while the kids finish up this block. This will let people know that you are open to relationship and not in a hurry to move them along. Maybe a little party will break out and take things further towards lasting relationships with several people!

KCA COOKIE FUNDRAISER:

We can all use a little more sweetness either to receive or to give! KCA can help with that! We've got the chance to give and receive! KCA is participating in a Cookie Fundraiser and you can get in on the action! All you need to do is order them and Cookies can be ordered by calling the school or in person until November 8

LIVING OUT THE LOVE OF GOD LOCALLY AND GLOBALLY

We have the chance to help make a difference in 2 areas this fall! One is **local** - with *Madoc Drive Public School* in Brampton. Many of the families who are part of that community struggle to provide their children with the daily necessities for school so we're going to focus on LUNCH AT MADOC and we're looking for donations of Glad Sandwich bags, Lunch Bags, Mini-Thermos', Tupperware type containers and any other supplies that help make lunch prep smoother! For more details please speak with Lesley Kennedy.

Our second opportunity is **global** as Reta Campbell will be heading to *Richmond Jamaica* again in late Fall and we can help bless the school children there with supplies they need like pencils, paper, binders, erasers and smaller backpacks, For more details please speak with Reta!

PORTABLE FIRE PIT - COMMUNITY CHRISTMAS KICK OFF

As part of our Community Christmas Kick Off on November 30th we'd like to roast marshmallows outside in the parking lot! If you have a portable fire-pit that we could borrow for that evening please contact [Dean](#).

CONGRATULATIONS COOK FAMILY!

Michael, Charlene, Ava and Jenny Cook took part in the Scotiabank Charity Challenge Marathon on Sunday October 20th - running in support of InnerCity Outreach Foundation! We hope that NRCC helped put the wind at your backs as you took each step - practicing the love of Jesus for others and we hope the effects of the Chili Cook Off had worn off by then!
