

## Sunday Morning October 28th gathering ...

This Sunday we get the opportunity to express the truth of resurrection and reconciliation when we gather! While that's the truth of each gathering as Christians - it's also an easy to overlook reminder of the truth of the Oneness that Jesus has given us in Him! We who are many are one! We'll worship God as one and continue seeing how the Gospel is transforming us as a "people who are living out the love of God" as we look at all of life as ways to live out that love with intentional incarnation rather than additional attraction! Looking forward to being together as a family of missionary servants!

## A thank you from Reta!

*My Nashville Road Family, I must express my sincere thanks for your generous support for the Jamaica project! Thanks for your contribution of school supplies, clothing, your prayers and encouragement. God continues to be good and we have been experiencing some amazing results. Please pray that as God continues to use us in this area that He will grant wisdom and discernment as we seek to be the hands and feet of Jesus.*

## Family Communication Meeting: Sunday, November 11 @ 6:30pm

For some time now the elders have been engaged in a process of discernment about a change of denomination for the church body, to better align our beliefs regarding the role of women in leadership with denominational position. For the Nashville family to engage further in the process we've invited a representative from the potential denomination - the Canadian Baptists of Ontario and Quebec (CBOQ) to come and share about the CBOQ as well as providing a chance to ask our questions. In advance of that meeting - please check out their website at [baptist.ca](http://baptist.ca) to get a sense of who the CBOQ are. We'll look forward to that evening together.

# Love Does

Paul wrote in Ephesians that walking in the way of Love - like Jesus did is a fragrant offering to God. What's your vision for kindness? Bob Goff has written an amazing book that inspires the followers of Jesus to put love into action. Bob Goff has become something of a legend, and his friends consider him the world's best-kept secret. Those same friends have long insisted he write a book, and he finally did. It's full of paradigm shifts, musings, and stories from one of the world's most delightfully engaging and winsome people. What fuels his impact? Love. But it's not the kind of love that stops at thoughts and feelings. Bob is convinced love takes action. Bob believes Love Does. Here's another idea of how you can put love into action - just like Jesus did for you

Regeneration Outreach is a ministry in Brampton that continually strives to provide dignity for those in need, as an expression of Christian love in action. They serve those living in extreme poverty and homelessness by meeting their physical and spiritual needs. One of our Nashville Road family - Dan Gibson, serves there as Chaplain. We can also stack hands and help extend God's kingdom in tangible ways by providing new and gently used clothing. Presently they are in big time need of - men's pants, t-shirts, shoes, belts and hats. Also any sort of jackets, back packs or bags are always very helpful. New socks and underwear are always in need. If you bring these items to the church building we'll be happy to pass them along to Dan for Regeneration. Please check out the [Regeneration website](#) for all the info on this great ministry!

Here's a great opportunity to express family as we serve others! [Operation Christmas Child](#) is a hands-on way to

bless struggling children in the developing world by filling shoeboxes with toys, hygiene items, school supplies, and other items. We collect the boxes and distribute them in the name of Jesus Christ to children living in desperate situations. It also reminds to remind those children suffering as a result of war, poverty, famine, disease, and disaster that they are loved and not forgotten. Each year, millions of shoeboxes are packed with gifts by people in Canada and nine other "sending" countries, and given to children in more than 100 "receiving" countries.

We'll have those Shoeboxes ready this Sunday morning in the church building lobby for you to pick up, fill and return and bless!

What about setting up a table and along with the candy for the kids - giving out some hot chocolate or coffee to the parents as they accompany them on their fantastic evening journey?!!

## Hospitality!

When we see or hear the word “Hospitality” most of us probably think of entertaining or hosting friends or family for dinner or maybe of the service that a hotel provides. But the original word *hospitality* is a compound word that contains two incredibly powerful concepts that include “brotherly love” and “alien or stranger”. So instead of simply being understood as “entertaining guests” the word becomes *“one who loves strangers/immigrants like you would your own brother.”* That’s a big difference, and completely changes the way we see this term. In fact that word is used over and over again in the New Testament, indicating that one of the hallmarks of a Jesus follower is a radical love for those we are unfamiliar with — expressing it the same way we would love our own brothers or sisters! Wow! Practicing authentic Hospitality is an expression of the Good News of how Jesus has radically reshaped us and brings us together as One family! Nashville Road Community church is a people who are living out the love of God and whether we gather in our homes or at the church building we want to be with that kind of authentic hospitality that includes a genuine welcome but goes beyond what our culture settles for. As Jesus says - goes the extra mile!

So - we’re looking to recognize, raise up, and release a team of people to express that kind of family hospitality - particularly right now for when we gather on Sunday mornings! Imagine walking into the building and you, your family and friends feeling instantly and genuinely welcomed, comfortable and at home! We want that to be an ever increasing reality as we live out the love of God! Practically speaking we’re looking for people who can give a lead in being near the doors intentionally greeting people when they arrive and helping them get comfortable as well as others whose hospitality will take the form of preparing and serving coffee, tea and goodies. If you are interested in expressing your serve that way - please sign up at the Welcome Desk in the lobby on Sunday and don’t be surprised if you are tapped on the shoulder by someone who asks if you are interested - because they think you’ve got what it takes! In the next couple of weeks we’ll be hosting a meeting to share more with the team of people who are interested! Thanks for praying and considering expressing your identity as a family of missionary servants living out the love of God!
