

Nashville Rowed ...

We're looking forward to having Pierre Roux share with us on Sunday! Many of you know Pierre and his wife Sharon well from their ministry with Extreme Response. Pierre has a passion to see God's love impact lives and His Kingdom invade Beaufort West. To that end they serve by caring for Children on the street, providing food and nutrition distribution, healthcare, drug rehab and cancer survivor support and work tirelessly to end human trafficking and minister to the lives that are broken as a result. Whenever Pierre is among us - we hear stories of God's amazing grace, power and faithfulness and we look forward to being together as ONE on Sunday morning! Hope to see you then.

Family Happenings

Happy Birthday to Sharon Hunter!! Sharon celebrates her birthday on September 21!

Happy Birthday to Eric Jordan!! Eric turns 14 on the 25th!!

We join in praying with Christine and Jim Gerber, as they have shared that Christine has accepted the call to be the Lead pastor at the Brampton Meeting House location. As family we rejoice at this exciting opportunity that God has opened to them. Though we look forward to continuing to stack hands in Kingdom building and will only be separated by a short geography, it is sad to say goodbye as we have shared not only the truth of the Gospel during these years together but our lives as well and as our hearts are connected we now journey thru this change. Next Sunday morning (September 30th) Christine will be teaching and afterwards we will have a time of celebration as we share a potluck meal together for lunch. Please continue to pray for Christine and Jim and their family as they organize and make this transition and also for the Meeting House as they prepare to welcome them into the body and community there!

Love Does

Paul wrote in Ephesians that walking in the way of Love - like Jesus did is a fragrant offering to God. What's your vision for kindness? Bob Goff has written an amazing book that inspires the followers of Jesus to put love into action. Bob Goff has become something of a legend, and his friends consider him the world's best-kept secret. Those same friends have long insisted he write a book, and he finally did. It's full of paradigm shifts, musings, and stories from one of the world's most delightfully engaging and winsome people. What fuels his impact? Love. But it's not the kind of love that stops at thoughts and feelings. Bob is convinced love takes action. Bob believes Love Does. Here's another idea of how you can put love into action - just like Jesus did for you:

Regeneration Outreach is a ministry in Brampton that continually strives to provide dignity for those in need, as an expression of Christian love in action. They serve those living in extreme poverty and homelessness by meeting their physical and spiritual needs. One of our Nashville Road family - Dan Gibson, serves there as Chaplain. We can also stack hands and help extend God's kingdom in tangible ways by providing new and gently used clothing. Presently they are in big time need of - mens pants, t-shirts, shoes, belts and hats. Also any sort of jackets, back packs or bags are always very helpful. New socks and underwear are always in need. If you bring these items to the church building we'll be happy to pass them along to Dan for Regeneration. Please check out the [Regeneration website](#) for all the info on this great ministry!

Praise & Prayer

Part of expressing redemption and reconciliation in practical terms is rejoicing in seeing God at work and praying for one another. Please continue praying for ...

- > Heather Campbell as she continues her chemotherapy sessions
- > Bryson (friend of the Gerbers) who is now in Calgary recovering from serious surgery complications
- > Esme Kennedy continues her recovery from hip surgery at Brampton Civic
- > Isaiah Augusto the new infant son of Sandra and Chris in asking God to heal Isaiah of his heart issue.
- > Jason Payne's friend Teresa Wilson as she journeys thru stage 4 incurable stomach cancer.
- > Many people in our local community are running for office in the upcoming election. Please remember them and their families as they take this step to serve and lead our city. In particular please remember Mayor Allen Thompson and his family as Allen continues to serve and lead.
- > Hurricane Florence has left destruction in it's wake last week. Destroyed houses, loss of life and broken hearts of those who have lost loved ones. Many churches in effected areas are reaching out to be the hands and feet of Jesus. Please pray for God to grant wisdom and His strength and courage as they meet the sometimes overwhelming needs.

Have you ever wished you could just sit down and have a good long talk with God? Wouldn't it be great to move past a belief that God loves you to actually hearing God whisper words of love into your heart? When you're worried or confused, wouldn't you love to see the situation from His perspective? Wouldn't it be great to hear how he wants you to respond? When things don't seem to be going your way wouldn't it be great to hear Him tell you where He is in the midst of it and what He is working out in your life? As a follower of Jesus - a Christian, you are one of His sheep and He is speaking to you but in our noisy world we need to discern it from all the other voices that bombard our hearts and minds.

On Sunday mornings at 9am beginning this **Sunday September 23rd** in the Music Office there will be an opportunity for practicing hearing God's voice. This is a chance to listen and discuss what is heard in a safe and accountable small group environment. If you can't make it this week - please sign up at the welcome desk and don't forget to bring along a journal or something to write on and a pen!

Prerequisite Course: 4 Keys to Hearing God's voice by Mark Virkler.

Please speak to Martha Lynn Lawson if you are interested in doing the prerequisite course and /or if you want to practice listening to God but the [Sunday morning](#) time is not convenient.

Women's Connect and grow

The ladies had a wonderful time together last evening at our kick-off potluck dinner in the chapel and warmly welcomed Nichole White who is joining us Tuesday's. While Janet Body and Sharon Hunter have been introduced to the group in social situations since our last regular meeting in June, they too will be joining us this season as their schedules permit. We are thankful and excited to see some of what the Lord has done and is doing as we go forward through teachings and the sharing of both joys and struggles in our daily lives while in fellowship and prayer with one another.

Women's Connect will be meeting in the chapel on October 2nd.

School Supplies and Clothes for Jamaica

The "Back to School" sales are beginning and as you plan for your student's back to school needs - could you add in an extra set of pencils or a binder maybe, or some pencil crayons? Reta Campbell will be heading to Richmond Jamaica again in late Fall and we can help bless the school children there with supplies they need! It's a great way to live out/express God's love as a body. We'll have a box set out soon for your contributions! Reta is also looking for very light weight 100% cotton clothes (the more style and colour the better!) to take with her as well. For more details please speak with Reta!
