

### Nashville Rowed ...

As many of you know Christine Gerber has accepted the call to be the Lead pastor at the Brampton Meeting House location. On Sunday morning we'll have a chance as a body reflect and celebrate communion together as well as praying and commissioning Christine and Jim for this next chapter in the story that God is writing in their lives and ours. Christine will be teaching from John 13:34-35 on the Power of Godly Community and afterwards we'll break bread to together as a community growing as family.

Please bring a main dish to share with others and we'll provide the drinks and dessert.

As family we rejoice at this exciting opportunity that God has opened to them. Though we look forward to continuing to stack hands in Kingdom building and will only be separated by a short geography, it is sad to say goodbye as we have shared not only the truth of the Gospel during these years together but our lives as well and as our hearts are connected, we now journey thru this change. Please continue to pray for Christine and Jim and their family as they organize and make this transition and also for the Meeting House as they prepare to welcome them into the body and community there!

# Love Does

Paul wrote in Ephesians that walking in the way of Love - like Jesus did is a fragrant offering to God. What's your vision for kindness? Bob Goff has written an amazing

book that inspires the followers of Jesus to put love into action. Bob Goff has become something of a legend, and his friends consider him the world's best-kept secret. Those same friends have long insisted he write a book, and he finally did. It's full of paradigm shifts, musings, and stories from one of the world's most delightfully engaging and winsome people. What fuels his impact? Love. But it's not the kind of love that stops at thoughts and feelings. Bob is convinced love takes action. Bob believes Love Does. Here's another idea of how you can put love into action - just like Jesus did for you:

# Praise & Prayer

Please continue praying for ...

- > Heather Campbell as she continues her chemotherapy sessions
- > Bryson (friend of the Gerbers) as he recovers in Calgary from serious surgery complications
- > Esme Kennedy continues her recovery from hip surgery at Brampton Civic and will be discharged on October 4th to a new rehab facility
- > Isaiah Augusto the new infant son of Sandra and Chris in asking God to heal Isaiah of his heart issue.
- > Jason Payne's friend Teresa Wilson who is fighting thru stage 4 incurable stomach cancer, has had a stroke. Please pray for Teresa and her husband Al.
- > Many people in our local community are running for office in the upcoming election. Please remember them and their families as they take this step to serve and lead our city. In particular please remember Mayor Allan Thompson and his family as Allan continues to serve and lead. Please pray for Joycey Romeo - friend of Dean & Lesley Kennedy. Joycey was recently diagnosed with Sarcoma - a very aggressive cancer. She is waiting to hear from doctors what the next steps will be. Please pray for strength for Joycey, her husband Rocco and their family during this time of uncertainty

Regeneration Outreach is a ministry in

Brampton that continually strives to provide dignity for those in need, as an expression of Christian love in action. They serve those living in extreme poverty and homelessness by meeting their physical and spiritual needs. One of our Nashville Road family - Dan Gibson, serves there as Chaplain. We can also stack hands and help extend God's kingdom in tangible ways by providing new and gently used clothing. Presently they are in big time need of - mens pants, t-shirts, shoes, belts and hats. Also any sort of jackets, back packs or bags are always very helpful. New socks and underwear are always in need. If you bring these items to the church building we'll be happy to pass them along to Dan for Regeneration. Please check out the [Regeneration website](#) for all the info on this great ministry!

Have you ever wished you could just sit down and have a good long talk with God? Wouldn't it be great to move past a belief that God loves you to actually hearing God whisper words of love into your heart? When you're worried or confused, wouldn't you love to see the situation from His perspective? Wouldn't it be great to hear how he wants you to respond? When things don't seem to be going your way wouldn't it be great to hear Him tell you where He is in the midst of it and what He is working out in your life? As a follower of Jesus - a Christian, you are one of His sheep and He is speaking to you but in our noisy world we need to discern it from all the other voices that bombard our hearts and minds.

On Sunday mornings at 9am in the KCA Staff Lunchroom there will be an opportunity for practicing hearing God's voice. This is a chance to listen and discuss what is heard in a safe and accountable small group environment. If you can't make it this week - please sign up at the welcome desk and don't forget to bring along a journal or something to write on and a pen!

Prerequisite Course: 4 Keys to Hearing God's voice by Mark Virkler.

Please speak to Martha Lynn Lawson if you are interested in doing the prerequisite course and /or if you want to practice listening to God but the [Sunday morning](#) time is not convenient.
