SUNDAY APRIL 14TH GATHERING

[Derrick Nelson was a Principal at Westfield High in New Jersey.](#) Described as a man of immense character and kindness whose legacy will live on in the generations of students whose lives he touched. It was not his contributions to the students at Westfield - but rather his contribution to a young boy in Paris that caught my attention. You see Derrick was found to be a match for this young boy's bone marrow and despite potential significant complications to himself from anesthesia - he underwent surgery to donate some of his to help save the young boy's life. Derrick never regained consciousness. He gave his life to save another.

We ask why? Why would someone put themselves in that position for someone they've never met? Prior to the surgery when asked why he would take that risk he described the decision as "a little bit of pain to help someone else ... it's all worth it."

New Covenant people have a new and better question to ask ourselves that intersects with Jesus' New Command and almost any situation we'll come across. It also has a built-in "WHY" answer and we'll consider both when we gather together to worship on Sunday.

- > 30,000 children heard about Jesus every day

- > 2,171,431 children committed to pray for and share Jesus with their friends and family

The Canadian Discover the Story Tour is coming to NRCC where you can discover the amazing things the Lord is doing through the shoebox gifts that you are giving. You'll hear stories from children like Kevin, from Togo, whose life was transformed through the Gospel. And Daphne, in Bolivia, who learned that Jesus is the best thing that ever happened to her. When a child receives your shoebox gift, it is only the beginning!

You'll want to save the dates for this now! Get ready to be transported by our KCA students from the Jungle of Nool to the Circus McGurkus as the Cat in the Hat narrates the story of Horton the Elephant, who discovers a speck of dust containing tiny people called the "Whos." Horton must protect the Whos from a world of naysayers and dangers, and he must also guard an abandoned egg that's been left in his care. Horton faces ridicule, danger and a trial but ultimately, the powers of friendship, loyalty, family and community are challenged and emerge triumphant!

Thank you Nashville ladies for loving me like God loves us! Words can't express how incredibly thankful we are for the kind words, gifts and laughs you "showered" over Harrison and I on Sunday. Thank you for taking time out of your busy weeks and sacrificing your Sunday afternoon. It means a lot for Harrison and I to know we have an army of prayer warrior women cheering us on in this exciting season! Thank you especially to all the lovely ladies who planned, baked, rolled sandwiches, created floral arrangements and decorated, it was a lovely, food-filled afternoon. Also, special mention is deserved for the little Nashville ladies who created a cape and crown that could stun a crowd. If Project Runway was still a thing, they'd all be owning it!
