

RE:NEW

THE OLD HAS GONE, THE NEW IS UNLEASHED!

2 CORINTHIANS 5:17

NASHVILLE ROAD COMMUNITY CHURCH ENEWS - FEBRUARY 8-15, 2019

JOINING IN PRAISE + PRAYER TOGETHER

> Dave Lawson has returned from serving as part of the Journey leadership team in Thailand. Praise the Lord for God's presence and strength given to Dave to minister the love and grace of Jesus to the pastors that came to be part of the week long conference. Thanking the Lord also for safety as Dave travelled to and from Thailand.

> Sandra and Chris Augusto's young son Isaiah is having tests to determine when his heart surgery will be. If the tests reveal that his pressures are too high then he will receive medication and they will wait to see if the pressures go down. The Cardiologists have said it is dangerous to have the surgery if the pressures are high. Please pray for God's presence to give strength, wisdom and comfort as Sandra & Chris take these next steps.

> Reta Campbell continues ministering alongside other church ministries in Jamaica to support children and families. Continue praying for unity amongst the churches.

> Heather Campbell continues her series of 16 radiation treatments

> The Antignani family are transitioning to their new home in Hamilton. That also means transition to a new school for their daughter Celeste. Please pray for wisdom as they also discern plans to head back to Italy on mission.

> Amy Hammond is now on maternity leave and she and Mike await the arrival of their first child on February 15th!

> Pray for our community - our neighbours and neighbourhoods for God to give us eyes to see the needs around us that we can help meet in practical ways - letting the Good News of Jesus impact lives!

If you are aware of items for praise or needs that we as a community can join together in prayer - please let Melanie in the church office know or email her at:

SUNDAY FEBRUARY 10TH GATHERING

If you've ever upgraded your cell phone - chances are you didn't also keep the old phone in your pocket with the new one! When you stopped using the old phone like you did before it wasn't because you thought the old phone was bad - but because you knew it wasn't necessary anymore because the new phone made it obsolete.

This Sunday we continue our [Re:New](#) series contrasting the revolutionary "new" that Jesus brought with the ways of relating to God that we've grown attached and comfortable with. It's not easy and sometimes downright uncomfortable letting go of those ways. The question for this Sunday morning is how should we as 21st Century people of the New Covenant relate to the Old Covenant? How might we engage with the Jewish Scriptures that describe God's activity among a specific people linked to a covenant that we were never part of but have attached ourselves to? Looking forward to reNEWing life together!
