NASHVILLE ROAD COMMUNITY CHURCH NEWSLETTER - JUNE 21 - JUNE 28, 2019

SUNDAY MORNING GATHERING JUNE 23

Generally when we forget things there are consequences ... like when you forget you put your travel mug on top of your car when getting in and then drive away - only to be reminded it was there by a shower of coffee down your window!

Paul recognized that he needed to remind the church of the most important thing that they had forgotten - the Good News of Jesus. Not the information - of Jesus' death, burial and resurrection - but the IMPLICATION of how that resonates with all of life.

He wanted them to take the most important or ULTIMATE news in the world and find ways to plunge their hearts in it throughout each day and as they meditate on it.

To be able to GOSPEL FLUENT is a developed skill, it's an art and like learning to think in another language - it takes time to sharpen. We aren't spectators in our own minds - we are active participants and the Good News of Jesus is what we use to speak against the false messages we hear whispered into our minds and consciences.

This Sunday we'll talk about how to identify the false messages we hear and speak the Gospel truth to ourselves instead.

Looking forward to worshipping together on Sunday morning!

JOINING IN PRAISE + PRAYER TOGETHER

> Continue praying for Mark Redlich's father - Randy after his recent heart surgeries to install stent's to deal with significant blockage.

> Andy Alblas is one of our KCA teachers. His father was in late stages of Alzheimers and passed away this week. Please remember Andy's family as they grieve but they do so knowing Andy's dad trusted Jesus.

> Continue praying for Isaiah Augusto as well as his mom & dad - Sandra and Chris. Isaiah had an echo, ecg and blood work at Sick Kids this week and the pressure in his lungs has come down a bit which is good news. They are going to wait another month and redo a CATH procedure and if pressures are lower then they will proceed with surgery. Please pray for the pressures to continue to lower.

> Hugh Maguire is recovering from pneumonia. Please continue to pray for a return to health and strength.

> White Rose Outreach minister's to the men and women who work in strip clubs in Toronto. Please pray for this outreach as it faces a tremendous amount of warfare.

> Please pray for the farmers locally in our area and throughout our province. As a result of the ground being saturated because of all the rain - they are behind schedule and seeds have not been planted for this crop season. That will put significant stress and pressure on them this summer & also will have financial consequences.

When you are aware of items that we as a community can join together with in praise and prayer - please let Melanie in the church office know or email her at:

"We Bake to ADVOCATE".

We purchased them as we did on Mother's Day to support our community and in particular to encourage and stand with the Augusto family and their young son Isaiah.

MOVING WITH MUSIC

WEDNESDAY / JUNE 26 / 9AM / THE CHAPEL

It's time to get your MOVE on! The MOVING WITH MUSIC program is designed to do just that! Each session uses music and rhythm exercises that help maintain walking, balance and general movement.

This will be our final "MOVE" as we'll slow things down a bit and take a break for the summer until September.

SERVING TOGETHER

One of the images we've used to represent the idea of "being" Nashville Road Community Church is that of a rowing team. Watching a rowing team in action is a thing of beauty as the boat seemingly glides across the water effortlessly. If you look closer you'll notice that - it's not effortless at all - rather a highly unified movement of people each offering their abilities, strength and skills to move towards the goal. It's a great image for us as the church - each person supporting and serving one another towards the exciting horizon that God calls us towards - moving together in unity as a people who are living out the love of God!

For those in the body that have been itching to grasp an oar and serve together - we'll always have opportunities to serve in some capacity - some short term or event based and others longer team during the ministry season.

Nursery and **Kids Konnection** are two amazing ministries that serve and bless our next generation each Sunday morning! They're staffed by a small but mighty team of leaders - Charissa Redlich, Gwen Noble, Janice Elliott and Sharon Hennig.

Would you prayerfully consider grabbing an oar and serving as part of that team? Perhaps you'd consider this summer as an opportunity to check out serving in that ministry or consider the fall season to jump onboard?

If you are interested in serving on this team - please contact Melanie Jordan for more info or speak with any of our Nursery or Kids Konnection leaders to ask them how to get involved!

Thank you for considering expressing your identity as a family of missionary servants living out the love of God!

If you have items for the eNews including birthday's and anniversaries to add to the Family Happenings please contact Melanie at the church office by Wednesday each week.
